WHO ARE BROOKS HIRE?

Brooks Hire specialise in the supply of earth-moving equipment to the civil construction and mining industries.

With 40 years of experience in the hire industry, Brooks Hire Service is the preferred supplier to some of Australia's biggest contracts. Through many years of strong business growth, we have developed the stability that allows us to purchase new machines for our customers as they need them. We have every confidence that we will be able to deliver reliable equipment with the 'no fuss' service that you require for your project.

WHAT CAN WE OFFER YOUR BUSINESS?

ISO 14001 BUREAU VERITAS Certification
AS/NZS 4801 BUREAU VERITAS Certification
ISO 9001 BUREAU VERITAS Certification

RELIABILITY & QUALITY ASSURANCE

- ISO & Australian Standards in Quality, Health & Safety, and Environmental Management.
- Members of the Hire & Rental Industry Assoc, Civil Contractors Federation, APGA & more.
- Strong cash flow with the buying power to purchase new machines as they're required.

INDUSTRY SPECIFIC MACHINERY

- Servicing the Civil, Construction, Mining, Pipeline, Demolition and Road & Rail, sectors.
- Ability to purchase new machines made to any minesite specification.
- Modern fleet of machinery serviced and maintained in line with OEM guidelines.

TRANSPORT & DELIVERY

- Delivery can be facilitated to any jobsite in Australia.
- Our own fleet of modern low loaders are available for machine mobilisation.
- Large network of transport providers ready to deliver and collect machinery.

SERVICE & PARTS

- Qualified Heavy Diesel Mechanics at every branch, available to travel to your jobsite.
- Team of specialist Parts Interpreters with a huge range of spare parts kept in store.
- Exclusive deal with Komatsu offering Brooks clients a 7% discount on Komatsu parts.
