

HiLux

OH WHAT A FEELING

You'll feel it with every drive. In every twist and every turn. It's our unwavering commitment to move you, not only today, but well into tomorrow as we relentlessly reimagine the future of mobility.

With our eyes on the horizon, we're committed to creating a future where all of humankind is empowered with the freedom to move.

Legendary strength

With over 40 years of hard working heritage, HiLux has built a legendary reputation. It's the trusted partner for those who want to get the job done, then be equally ready when it's time to play.

Today, HiLux is even tougher and packed with the latest technology. Every feature has undergone rigorous durability testing to ensure it's equally at home in the outback or the city, including suspension specially tuned to meet the demands of Australian conditions.

HiLux Rugged X was developed and tested here in Australia using years of local knowledge and experience.

From the WorkMate all the way through to Rugged X, every HiLux has been designed and built to meet Toyota's highest standards. This makes them as tough as the Australian Outback, yet superbly refined to accommodate any family adventure or social occasion.

With such unbreakable spirit, the HiLux range has never been stronger.

This page: 4x4 Rogue Double-Cab Pick-Up in Silver Sky.¹ 4x4 Rugged X Double-Cab Pick-Up in Feverish Red.¹ 4x4 SR5 Double-Cab Pick-Up in Crystal Pearl¹ shown.

Unmistakably bold

The bold, cutting edge exterior lines of HiLux create a truly powerful yet contemporary presence, whether you're on the worksite or out on the road.

The angular styling with extended wheel arches featured on all HiLux wide-body styles (applicable to certain variants only) creates

33 different configurations across the range, so you can find your perfect match.

Up front, the trapezoid grille and well defined halogen headlamps on WorkMate and SR rise to LED headlamps, foglamps and distinctive taillamps on SR5, Rogue and Rugged X. The privacy glass on every HiLux SR5 also

provides an extra touch of practical refinement.

With the proven combination of on-road comfort and work hardened capability, HiLux delivers the ultimate in style, strength and choice to suit your needs.

Equipped for work and play

The robust exterior features of HiLux are finely balanced by the latest technology and advanced creature comforts that create the perfect interior in which to work, travel and play.

You can jump in and get moving with added hands free convenience of smart entry and start system on SR5, Rogue and Rugged X.

The 8" colour touchscreen display provides seamless connectivity using Apple CarPlay^{®3} and Android Auto^{™,3} including access to Siri[®] Eyes Free and Google Now[™] voice commands³ (speak to your dealer about device compatibility). Enjoy 9-speaker sound with the JBL^{®4} premium audio system on Rogue and Rugged X, with six speakers on SR and SR5 (Double-Cab only) and two speakers on WorkMate. Other handy features include Bluetooth^{®5,6} connectivity, enhanced voice recognition and the reversing camera (available on Pick-Up models only), with a Panoramic View Monitor on Rogue.

Satellite navigation with SUNA^{™,7} traffic updates and Digital Radio (DAB) is standard on SR5, Rogue and Rugged X. The 4.2" Multi-Information Display provides essential driving support information right where you need to see it. This includes front wheel turn angle and also indication from the front and rear sonar parking on SR5 (Pick-Up models only) and Rogue.⁸ On cooler days, you'll appreciate the warmth of heated front seats in Rogue, Rugged X and as an option on SR5 (Pick-Up models only).

Find your perfect space to work and play inside the HiLux.

Built for action

On the road, off-road, on the job or wherever you steer your HiLux, you can be confident it'll be up to the task with an inspired range of well-considered features and innovations.

Hard-wearing floor mats are standard, including carpet mats in Rogue and all-weather in Rugged X, which provide handy protection to help keep the interior looking fresh. In the SR, SR5, Rogue and Rugged X, the air-conditioned cooler box (not available on WorkMate) will help keep your favourite refreshments and snacks fresh to enjoy after work or on the school run. Plus, you'll find multiple storage spaces that are all conveniently placed including bottle and cupholders as well as consoles to safely stash the essentials.

Front dual zone climate control on SR5, Rogue and Rugged X will maintain the temperature at the ideal level for maximum

comfort. After dark, the electrochromatic interior mirror on Rogue and Rugged X automatically adjusts for night driving conditions.

The Motorised Roller Cover with resin sailplane sports bar on Rogue provides water and dust resistance in most situations to help keep your tools and gear secure and clean. It's built tough with smart operation functions including anti-pinching, anti-tamper, adjustable aperture and cover speed control for smooth opening and closing. The LED lighting clearly illuminates the cargo space, plus you'll find an integrated 12V socket located in the rear tub. The tailgate can also open independently of the cover then centrally lock again.

Everything's in place to make every day great with HiLux.

Powerful performers

After over 40 years navigating harsh Australian terrain, cutting edge design and expert engineering, outstanding performance is integral to the HiLux DNA and helps deliver the strength and reliability you need when the going gets tough.

The 2.8L turbo diesel powers the SR, SR5, Rogue and Rugged X and produces 150kW of highly responsive power. It also produces an impressive 500Nm of torque with the 6-speed automatic transmission and 420Nm with the 6-speed manual transmission. Featuring the latest powertrain thinking and technology, it can also achieve a highly efficient 7.1L/100km⁹ on the 4x2 SR Double-Cab manual.

WorkMate is available in a choice of either 2.7L petrol or 2.4L turbo diesel power. The petrol engine delivers 122kW of power with 245Nm of torque with fuel efficiency of 10.7L/100km⁹ achieved on the 4x2 WorkMate Double-Cab 5-speed manual. The turbo diesel produces 110kW of power with 400Nm of torque and can achieve a fuel efficiency of 6.9L/100km⁹ on 4x2 WorkMate Double-Cab 6-speed manual.

When it comes to shouldering the load, all HiLux 4x4 models can tow up to 3,500kg braked towing capacity and 4x2 HiLux diesel up to 2,800kg braked towing capacity.²

Specialised features on Rugged X for added confidence driving off-road include the hoopsless bull bar with an integrated LED lightbar and spread beam driving lights to brighten the path ahead. Heavy duty rock rails provide extra protection along each side while the steel recovery points,¹⁰ heavy duty rear step and 5mm thick high-tensile alloy bash plate will have you even more prepared for off-road action.

Plus, the drive mode select allows you to choose the optimum performance setting for the conditions, with ECO Mode for reduced power consumption, and Power Mode for sharper acceleration response and a more agile drive.

Strong, smart and safe.

Travelling in HiLux means you'll also enjoy the reassuring sense of protection that comes from a range of advanced safety features.

The impact absorbing body is designed and built to reduce impact in a collision and the high tensile steel provides greater upper and underbody strength. The steering and suspension have also been tuned to local conditions to improve the overall ride comfort and handling when taking on rough roads and bumpy trails.

There are seven SRS airbags fitted as standard that help provide a protective barrier around the interior space. On Double-Cab models, you'll find ISOFIX anchors for two child restraints in the rear seat including two top tether anchors.

When engaged, drive start control can automatically help suppress the impact of sudden acceleration. Should cross winds, road conditions or steering actions cause a trailer to begin to sway, Trailer Sway Control⁸ (TSC) is there to help to bring movement under control.

On SR 4x4 Double-Cab automatic, SR5 4x4, Rogue and Rugged X, Downhill Assist Control⁸ (DAC) helps to prevent excessive speed and provide greater control on downhill slopes when activated.

Plus, you'll have the added help of Toyota Safety Sense⁸ (TSS) fitted as standard on every HiLux across the range.

Toyota Safety Sense

At Toyota, we believe it's simply not enough to say "safety comes first" – we prove it. That's why, in our ongoing pursuit of creating ever safer cars, now and into the future, we developed Toyota Safety Sense⁸ (TSS). A suite of active safety features designed to help support safe driving and help protect you and your passengers.

HiLux features the latest TSS driver assistance technologies, aiming to recognise and help avoid certain hazards and collisions, giving you and your passengers greater peace of mind wherever you're headed. Please visit toyota.com.au for vehicle and specification information.

Pre-Collision Safety system with pedestrian and daytime cyclist detection

Pre-Collision Safety⁸ (PCS) system with pedestrian and daytime cyclist detection is a multi-stage warning system. Using an integrated camera and radar to help detect other vehicles in front of you, the PCS is designed to assist the driver where there is a likelihood of frontal collision with cars and pedestrians during day or night, or cyclists during the daytime. PCS includes a visible and audible alert of possible collisions, additional braking force to assist when you're braking, and if a collision appears to be unavoidable automatic braking to help mitigate impact.

Toyota
Safety
Sense

Road Sign Assist (speed signs only)

Road Sign Assist[®] was developed to help recognise certain road speed signs and provide information to you. It displays the most recently recognised speed limit on the Multi Information Display.

Active Cruise Control (high-speed)

Active Cruise Control[®] is designed to help keep a constant distance between vehicles. It uses a millimeter wave radar to monitor the gap between your vehicle and the one in front, automatically accelerating or slowing down when needed to help you maintain a set distance.

Lane Departure Alert with brake to steer

Lane Departure Alert[®] with brake to steer is designed to help prevent vehicles drifting from their lane by monitoring road markings, and providing a visible and audible alert should it detect any deviation from the lane. It may also apply additional steering force if needed to help you stay in your lane.

Toyota Connected Services¹¹

3 years complimentary access¹¹

Driving should be easy, enjoyable and safe. That's why inside every connected Toyota you'll find a suite of advanced features focused on safety, convenience and a better driving experience.

To learn more, please visit toyota.com.au/connected

Stolen Vehicle Tracking¹² (SVT)

Should the unthinkable unfortunately occur, you'll have the peace of mind of knowing Toyota Stolen Vehicle Tracking (SVT) is designed to help find your missing vehicle. After filing a stolen vehicle report to the police, and providing your VIN and police report number to a Toyota Stolen Vehicle Assistance agent, the agent will validate your SVT subscription and initiate tracking. They can then provide updates to the police to assist with the potential recovery of your vehicle.

Automatic Collision Notification¹³ (ACN)

Every second counts when assistance is needed the most. Should an airbag deploy or a severe collision be detected by the impact sensors, Toyota Automatic Collision Notification (ACN) is designed to automatically connect with our 24/7 Toyota Emergency Assistance call centre. If you're unable to communicate or respond, we'll immediately contact emergency services and direct them to your vehicle's location.

SOS Emergency Call¹⁴

If the situation ever arises where you require urgent assistance, it's comforting to know help can be available at the touch of a button. In the event of a genuine emergency, you can speak directly to a Toyota Emergency Assistance agent, 24/7, simply by pressing the dedicated SOS button in your vehicle. If required, they can direct emergency services to your vehicle's location.

HiLux Workmate

The Toyota Advantage

When you join the Toyota family, you get so much more than a new car feeling. You get a lifetime of benefits keeping you moving now and well into the future.

Discover your Toyota lifetime of advantages at toyota.com.au

Discover the freedom of Toyota Access²⁰

Toyota Access puts you in complete control when buying a new car, with lower monthly repayments.²¹ Drive out of the Dealership with a clear road ahead then drive back a few years later with more options at your disposal than ever before. Whatever stage you're at in life, Toyota Access puts you in the driver's seat with flexibility and assurance. To discover Toyota Access for yourself, visit toyota.com.au/toyota-access

Capped price servicing²²

A new Toyota means you don't have to worry about unexpected service costs. Every Toyota comes with a low, capped price service cost for a set number of years/kilometres. Pay the same low capped price from one eligible logbook service to the next for up to 3 years or 60,000km, whichever occurs first (including Toyota Genuine parts, labour and fluids). For the full benefits, consult a Toyota Dealer or visit toyota.com.au/advantage

Toyota Warranty Advantage

Every new Toyota is built to exceptional standards. From 1 January 2019, Toyota vehicles are backed by a 5-year/unlimited kilometre warranty.²³ If your vehicle is properly serviced and maintained per its Warranty and Service Book, we'll extend your engine and driveline warranty for an additional 2 years,²⁴ giving you peace of mind for years to come. In the event of a claim covered by warranty, you are covered by 7 years emergency assistance including expenses related to car hire or towing if required. For more information, visit toyota.com.au/owners/warranty

Finance to get you going

If you need a little help, Toyota Finance²⁵ can offer you a wide range of vehicle financing options. With Toyota Finance, you'll have the peace of mind of dealing with one of Australia's leading vehicle finance corporations with over 30 years experience. And with a range of flexible products and services to suit almost every need and circumstance, Toyota Finance can help find the right package for you or your business.

Insurance options

Our Comprehensive Motor Vehicle insurance policy is packed with great benefits including; agreed value cover, new vehicle replacement if your Toyota is written off within the first 3 years, use of Toyota Genuine Parts on authorised repairs within manufacturer's warranty, and a Lifetime Repair Guarantee.²⁶ For more information, visit toyota.com.au/insurance

Extend your peace of mind

Whether it's a flat tyre, lost keys or a flat battery, Toyota Extra Care Roadside Assist²⁷ is never more than a phone call away. Available 24 hours a day, 7 days a week, our technicians are there to help you get back on the road. For more information, visit toyota.com.au/insurance/roadside-assistance

Excludes vehicles used for a commercial purpose, such as taxis, hire vehicles and vehicles transporting people or goods for payment including rideshare. The commercial vehicle Toyota Warranty Advantage period is 5 years from delivery or 160,000km (whichever occurs first). See toyota.com.au/owners/warranty or your vehicle's Warranty and Service Book for T&Cs. This warranty does not limit and may not necessarily exceed your rights under the Australian Consumer Law.
- 24 The Toyota Warranty Advantage Extended Engine and Driveline coverage is for 7 years from delivery, provided your vehicle is properly serviced and maintained per its Warranty and Service Book. Excludes vehicles used for a commercial purpose, such as taxis, hire vehicles and vehicles transporting people or goods for payment including rideshare. See toyota.com.au/owners/warranty for details. This warranty does not limit and may not necessarily exceed your rights under the Australian Consumer Law.
- 25 Approved applicants only. Terms and conditions apply. Toyota Finance is a division of Toyota Finance Australia Limited ABN 48 002 435 181, AFSL and Australian Credit Licence 392536.
- 26 Terms and conditions apply. This advice is general in nature and does not take into account your objectives, financial situation or needs. Before making a decision to purchase any of the insurance products you should consider the appropriateness of the advice taking into account your own objectives, financial situation and needs and refer to the current PDS and Target Market Determination for the relevant product available from participating Dealers, via our website at toyotainsurance.com.au or by calling 137 200. Toyota Insurance purchased in a dealership or via the Toyota Insurance National Customer Solutions Centre is facilitated by Toyota Finance Australia Limited ABN 48 002 435 181, AFSL and Australian Credit Licence 392536 as agent for, and on behalf of, the insurer. The insurer of Toyota Insurance is Aioi Nissay Dowa Insurance Company Australia Pty Ltd ABN 11 132 524 282, AFSL 443540 (Adica). If Toyota Insurance is purchased online, the issuer and insurer is Adica. Our warranty insurance policies do not change or take away your rights under the Australian Consumer Law. Your right to claim under our warranty insurance policies for the benefits covered is in addition to other rights and remedies you have under the law in relation to your vehicle. However, you can choose to make a claim under any of our warranty insurance policies even if you have rights under the law.
- 27 Toyota Extra Care Roadside Assist is administered by Toyota Finance, a division of Toyota Finance Australia Limited ABN 48 002 435 181, AFSL and Australian Credit Licence 392536.
