Brain Teasers

There are 20 people in an empty, square room. Each person has full sight of the entire room and everyone in it without turning his head or body, or moving in any way (other than the eyes). Where can you place an apple so that all but one person can see it? **Place the apple on one person's head.**

I am four times as old as my daughter. In 20 years time I shall be twice as old as her. How old are we now? **I'm 40 and my daughter is 10.**

How do you make the number 7 even without addition, subtraction, multiplication, or division? **Drop the "S".**

You have me today, Tomorrow you'll have more; As your time passes, I'm not easy to store; I don't take up space, But I'm only in one place; I am what you saw, But not what you see. What am I? **Memories.**
